

**S03100** Standard Sheep Handler

**Light Weight Alloy  
and durable Uniboard**

**Height is adjustable  
to suit your best  
working position**

- Fully adjustable to suit any size Ewe, Lamb or Ram
- Sheep lie without struggling in a safe secure position
- Adjustable work height means no bending for the operator
- Full access around rear of animal, crutchings fall away from Handler
- Feet can be easily inspected and trimmed

## Entry Guide and Panels

(Additional to Sheep Handler)

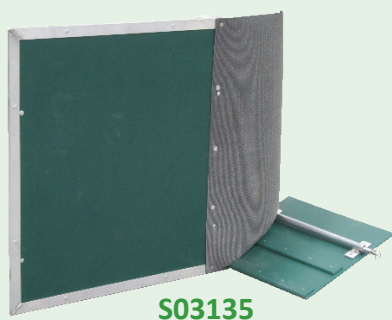

- Supports good stock flow into the Handler by narrowing the race
